

# New Acquisitions List

(1<sup>st</sup> qtr - 2014)

**Ecosystems Research and Development Bureau Library**

([erdb.denr.gov.ph](http://erdb.denr.gov.ph))

**“Our house is burning down and we are blind to it. The earth and humankind are in danger and we are all responsible. It is time to open our eyes. Alarms are sounding across all continents. We cannot say we did not know! Climate warming is still reversible. Heavy would be the responsibility of those who refuse to fight it.”**

**- French President Jacques Chirac**
