

# New Acquisitions List 2019

## Ecosystems Research and Development Bureau Library

(erdb.denr.gov.ph)

*"If we're destroying our trees and destroying our environment and hurting animals and hurting one another and all that stuff, there's got to be a very powerful energy to fight that. I think we need more love in the world. We need more kindness, more compassion, more joy, more laughter. I definitely want to contribute to that."*

*-Ellen DeGeneres-*
